

Happy New Year

We are deeply grateful for the friendly associations which are so much a part of life in our community. It is our sincere wish that the New Year not only find you in good health and spirits, but that it as well marks the beginning of a matchless period of happiness, peace, and personal achievement.

Give Prizes For Homes Best Decorated

The Oakwood Knolls Property Owners Association awarded prizes for the homes best decorated for the Christmas season among its members.

A committee of five judged the Christmas decorations. First prize went to Mr. and Mrs. Sam Lombardo, 251 Maplewood Drive, a set of snack tray tables.

Second prize, \$5 in cash, went to Mr. and Mrs. Carl Beyer, 188 Maplewood Drive. Third prize, a \$5 gift certificate to V & S Hardware, went to Mr. and Mrs. David Heath, 115 Meadow Court.

1966-An Eventful Year

The past year has been a busy one for Antioch. The village has grown, businesses have enlarged, some new one have moved into town.

It's been "fruit basket, upset" in the business section, with both banks moving in 1966, plus several other moves by businesses of long standing. The Antioch News, after 38 years on Main St., moved to Victoria Street.

The State Bank of Antioch moved to the new building they had constructed on Lake St. in January.

weather of last January? The Northern Illinois Conservation Club was forced to postpone their Ice Derby for lack of ice. Then, perhaps to sort of equalize matters, we awoke to a substantial frosting of snow the morning of May 11, a record-breaker for that date.

March 1 was the date of the disastrous fire at the A & P Store in the shopping plaza. The building was destroyed, and the A & P moved back to its former location on Lake St.

Undaunted by the bad luck the A & P rebuilt, bigger and

better, at the shopping plaza site, and moved back to the plaza in October.

Antioch acquired a zoning code on March 1, 1966, after a preliminary hearing. Joe Wolf became the new postmaster at the Antioch post office on April 1, as Roy Kufalk retired after many years in the position.

New sidewalks were installed in several places around the village to replace all broken sidewalks. The job of cleaning out Sequoit Creek went forward.

A new parking area was opened and improved behind

the stores on the west side of Main St. Wilton's Electric remodeled and expanded. Radke's Barber Shop underwent a complete overhaul and refurbishing.

In Industrial Acres, Quadriel moved into a new building.

The First Church of Christ, Scientist, built a new church on Route 173, and moved from their location on Victoria Street. First services in the church were held August 14.

A system of water treatment to eliminate the hard-water troubles that had been growing for some time was finally completed in 1966.

On June 14, voters throughout the county used the Votomatic voting machine for the first time in the primaries on June 14.

Edgar Simonsen resigned as Fire Chief after 17 years, and Charles Maples became the new Chief.

The first zoning hearing in Antioch was held on May 2, a change of zoning for the corner of Main and Orchard. The Mortenson Hotel, long a landmark, is to be removed to make way for a Phillips 66 station.

Action was started by the village board in June to get all Oakwood Knolls residents hooked into sewers. The task is nearly completed as the old year ends.

The First National Bank moved into its new home on Main St. October 1st, with new officers taking over the duties of Edwin Sletten and Elmer Rentner. LaVerne Woods, executive vice president, and Walter Daniels, vice president, are new faces on the Antioch scene that have already become familiar. Dale Starkey, already well-known, became cashier of the bank.

Edwin Sletten and Loren Sexauer retired after many years service as chairman and secretary of the Lions Club Rescue Squad fund. Richard Daniel and John Romer took over their duties. Loren Sexauer had earlier retired from his business.

Death took many familiar faces from the Antioch scene last year, including Miss Alice Smith who died at 90 years of age on April 12.

Antioch bowling enthusiasts brought home several onivable trophies last year. Four teams of young people from the Junior and Bantam bowling leagues took county championships and went to Springfield to compete in the State finals. The Junior Girls took the State championship. Team members were Mary Lou Muller, Lee Anne Tanner, Karen Daniel, Linda Walpole and Charmaine Daniel.

The Antioch builders team took the Lake County Women's bowling championship. At the high school, Antioch's track team won the conference trophy last spring. The Antioch High School Band won the Governor's trophy at the band contest, and Governor Otto Kerner came to Antioch in October to present the trophy.

Remember last July, when the sub-zero weather comes. Antioch was sweltering in 90 plus heat, with the thermometer soaring to 98 degrees on July 10.

The Cross Country team brought home the conference trophy in October. The Antioch High football team was second in the conference, with the sophomore gridgers matching the varsity record. And the '66-'67 basketball team appears headed for a big year, still unbeaten in conference play and with an 8-1 record overall.

It's been a big year for Antioch. We couldn't hope to mention all the year's big events in one issue. And it looks like next year will be bigger and more eventful than ever.

ACHS Band To Play Concert

The Antioch High School board approved the participation of the vocal and instrumental groups of the Fine Arts Department in summer music camp at the regular meeting of the board last Wednesday night.

Joseph Rush, director of the Fine Arts Department, requested approval of the music camp program. Antioch High School has participated in the program for several years.

Music camp is held at Lake Bloomington in Normal, Ill. Antioch students will attend for one week.

The board approved acceptance of an invitation for the Antioch High School Concert Band to play a concert at 1:30 p.m. Friday, Jan. 20, at a meeting of the Illinois Music Educators' Association. Participation is by invitation only. The audience will be composed of music educators.

The band will go to Peoria Thursday evening so that they can practice Friday morning. Transportation will be by school bus.

The board approved the participation of Antioch High School District in Title I and Title II of the Elementary Secondary Education Act. Title I covers the remedial reading program held at the high school last summer in which 56 young people participated. Title II covers Federal funds for library instructional materials.

The board also approved the school's participation, for the first time, in the Neighborhood Youth Corps. The Federal government supplies funds to allow students in need to work and earn \$1.25 an hour for 15 hours a week during the time school is in session. The students may work up to 32 hours a week during the summer.

William Brook, chairman of the salary committee, reported that the committee would have a report and recommendations ready for the January 18 meeting. The committee is composed of members of the board and teachers.

Antioch High School is a charter member of the Special Education District of Lake County, and the board approved the District's continued participation for 1967-68. On July-1, 1967, it will become mandatory for all schools to provide special education facilities, either through a cooperative program such as the Lake County group, or by themselves.

Five schools joined the group this year.

The board approved payment to the Special Education District of \$2,550 for education of Antioch students. They also approved the use of a classroom at the school of a Special Education class, a practice of three years' standing. Eighteen students attend the class, four of them Antioch students.

The school board accepted the resignation of Steve Vish as custodian and bus driver.

The board approved expenditure of \$1,500 to replace the motor and install power brakes on the 1963 GMC bus.

Approval was given for the annual dinner at which Antioch High School hosts school boards from the underlying grade schools. The dinner meeting date was tentatively set for Wednesday, April 26. Mutual problems are discussed at the meeting and a program presented.

PWP Lists Activities

Parents Without Partners, Inc., a club for fathers and mothers who have lost their wife or husband through death or divorce, has a full schedule of activities for the remainder of December and January.

Here is the schedule:
Calendar for December
27, Tuesday, 8:30 p.m.—Open house at the home of Pat Mattner, 6811 35th Avenue. Call 652-5001.

29, Thursday, 8:30 p.m.—Open house at the home of Lois Balcom, 913 48th St. Call 658-2033.

Calendar for January
8, Sunday, 12:30 p.m.—Children's Theatre party at the Roosevelt Theatre, 35c charge.
10, Tuesday, 8:00 p.m.—Business meeting at St. Matthew's Guild Hall, 5900 7th Avenue. Folk dancing and a social hour will follow.

24, Tuesday, 8:00 p.m.—Education meeting at St. Matthew's Guild Hall. Films will be shown.
28, Saturday, 7:00 p.m.—Adult Roller Skating party at Red's Roller Rink, 5407 8th Avenue.

HAPPY NEW YEAR!

The Antioch News Office will be closed Saturday, December 30, and Monday, January 2, because of the New Year's Holiday.

H.S. Teacher Dies Suddenly

John E. Gudgel, Sr., 60 years old, of 170 Oakwood Drive, Antioch, died suddenly at 9 a.m. Friday, Dec. 23, at his home from a heart attack.

Mr. Gudgel had taught mathematics for nine years at Antioch Community High School. His sudden death was a great shock to his many friends in the community, including the students at the High School. In addition to his teaching duties, he originated the Radio Club at the school.

Mr. Gudgel was born August 21, 1906, in Terre Haute, Indiana. He had attended college at Oakland City, Indiana, then taught school in Harrisburg, Ill., before entering service on Dec. 25, 1942.

He retired as a captain in the U. S. Navy, having served in the reserves until August 1966. He received his masters degree from Illinois University, and taught in Indiana before coming to Antioch.

Mr. Gudgel was a member of the Antioch Methodist Church. He married Harriet Lloyd Hopkins on March 31, 1928 at Vincennes, Indiana. He is survived by his wife; one son, Major John E. Gudgel, Jr., now in process of being moved to Okinawa by the Army; one daughter, Mary Del Clutter, whose husband is Major R. W. Clutter in the U. S. Air Force stationed at Battle Creek, Mich.; two sisters, Mrs. George (Mary) McDowell, Louisville, Kentucky, and Mrs. Gertrude Jenkins, San Diego, Calif.; and three grandchildren.

Visitation was at the Strang Funeral Home in Antioch Sunday evening. Funeral services were held at 2 p.m. Tuesday, Dec. 27, at the Koehler Funeral Home at 30 E. Main St. in Boonesville, Indiana. Interment was in Maple Grove Cemetery at Boonesville.

Elect Officers of Farm Bureau

The Lake County Farm Bureau Board of Directors reorganized recently. All officers and the Executive committee are elected by the Board members for a one-year term.

Howard J. Bonner of Lake Villa was elected president. He has served on the board since 1951. He is a native of Lake County and his present occupation is primarily grain farming.

Michael L. Zimmer was elected vice president. He had served as president for six years, from 1955 to 1958

Scenes like this were enacted in hundreds of homes in the Antioch area Christmas Day. A happy boy, a Christmas tree, and all those delightful toys—and time off from school to make use of them.

Albert A. Smith Dies In Auto Accident

Albert A. Smith, 31, well known in the Antioch and Lake Villa area died Christmas Day as the result of injuries suffered Christmas Eve when his car hit a tree on Deep Lake Road. Smith was alone in his car when the accident happened. He was driving north on Deep Lake Road north of Rt. 132. His car left the road on a curve and hit a tree.

Smith was a Grand Knight of St. Peter of Antioch Knights of Columbus Council No. 2800, 4th degree member of Bishops Quarters Council Lake County, President of the Holy Name Prince of Peace Church, Chairman-fund-raising committee of Lake Villa Rescue Squad, and founder of Legion of Decency in Lake County.

Survivors are his parents, Kathryn and Bobby Gustafson, one brother, Richard, of McHenry, three sisters, Mrs. Grace Stephenson of Des Plaines, Mrs. Henry Stein of Twin Lakes, Wisconsin, and Gloria Gustafson at home, his maternal grandparents, Mr. and Mrs. Michael Bielock of Holton, Michigan.

Funeral services will be held (this) Thursday morning at 9:30 from the Colonial Funeral Home to Prince of Peace Church where mass will be celebrated at 10 a.m. Interment will be in Ascension Cemetery. Parish prayers recited at 8:00 p.m. Tuesday and Knights of Columbus prayers recited at 7:30 p.m. on Wednesday.

The riots in the Watts area of Los Angeles in August, 1965, resulted in about \$4 million in insured losses.

Auction By Phone For TV Fund Drive

Mrs. William Brook, P. O. Box 369, Antioch, has volunteered to serve as chairman of a street corner drive to be conducted by the Antioch Woman's Club for WTTW Channel 11 during the educational station's community campaign for funds next

spring. The drive will take place April 8-16, two weeks before Channel 11's five-day long, televised fund raising auction.

Residents of Antioch, Lake Villa and surrounding communities who wish to serve as volunteers in the community campaign, the auction, or both may contact WTTW's community relations director, Betty Moline, at 583-5000. Volunteer jobs available include suburban chairmanships and assignments for "go-getters", workers who contact local manufacturers, merchants, and service establishments to seek donations of auction items. Volunteer office helpers are also needed at Channel 11's studios at 5400 N. St. Louis and at its downtown auction office in the Wrigley Building.

The auction will take place April 25-29, with viewers bidding by telephone from their homes for thousands of donated goods and services. Among the donations which WTTW hopes to obtain are new merchandise, services, art objects, and antiques. All gifts are tax-deductible, and each donor giving an item of \$25.00 or more retail value will receive credit on the air when the item is auctioned.

Jr. Bowlers Tourney Mon.

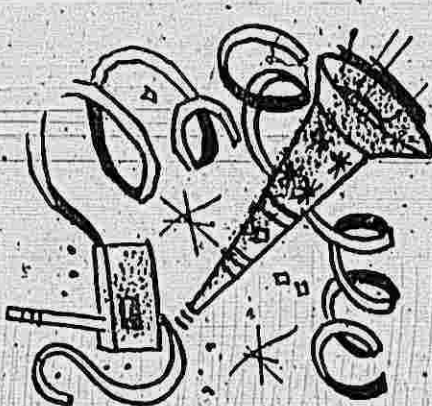

The Lake County Junior Bowlers Tournament will be held Monday, January 2.

Bantam, Prep and Junior bowlers can get information on the tournament by calling the Antioch Bowl.

Four teams of youngsters from the Antioch Bowl won a chance to go to Springfield for the finals in last year's tournament, and one team captured the State championship.

TOO MANY

"J. Edgar Hoover estimates that the rejuvenated Ku Klux Klan has a membership of 14,000. That is just 14,000 'too many.'" — Sparta News Plaindealer.

Safety First

The season of ice and snow is here, a hazardous time for driving. And when roads are icy or covered with slippery snow, motorists need all the help they can get in keeping the car from skidding.

Surveys have shown that studded tires are an aid to safe winter driving. Illinois motorists are denied the use of this safety measure because of a state law aimed at keeping tractors with metal cleats off the roads.

Presumably, the next state legislature will consider revising the law. Illinois is one of only four Midwestern states that bar the use of the studded tires. The other states are Indiana, Michigan and Iowa.

Obviously, with most states allowing their use, many out-of-state cars will be driving on Illinois highways with the studded tires. If there is any danger of damaging the roads, it might as well be done by Illinois motorists.

We certainly aren't going to arrest out-of-state motorists for not changing tires when they reach the Illinois state line. So the effectiveness of the studded tire, or the damage it might do to highways, should be of little concern to our legislators. The tires are being used, and they are being used on Illinois highways. So Illinois motorists should have the right to decide for themselves whether or not they wish to use them.

Courthouse Notebook

BY LOU DURKIN

Even the most efficient glass cleaners can't make much of a dent in the fog enshrouding the crystal ball through which we are wont to predict the future as the old year ends and the New Year looms on the new calendar, but there are a few safe forecasts that can be made to keep alive the year-end tradition.

For instance, it is safe to predict a sell-out for the Dallas Cowboy-Green Bay Packers battle for the National Football title which will be won by the Texans in an upset. Dallas will go on to outscore the Kansas City Chiefs in the first Super Pro Bowl game. Leo Durocher will continue to out-duel Eddie Stanky for headlines, but the Chicago White Sox will still finish ahead of the Cubs, and behind almost everyone in the American League. George Hallas will not trade for a new quarterback, but will try to lure George Blanda from Houston as a kicker and the one-time Bear will remain in Texas.

On the political front there will be a great deal of talk about harmony and good intentions emanating from Springfield, but before the session is over Russell Arington, boss of the Republican-controlled Senate will not be speaking to Ralph Smith, the bright and shiny new Speaker of the House.

There will be much talk about legislative reforms, but the Illinois General Assembly will go right down to the wire and close the session with a mountain of vital legislation which will carry with it a tide of bad legislation. The big battle in the session will be over an increase in the motor fuel tax for highway purposes with Gov. Otto Kerner insisting that part of the increase be used for schools. This insistence killed the tax increase in the last session, but this time the Republican legislature will pass an increase and make it stick.

A trial balloon will be launched for the gubernatorial candidacy of John Henry Altorfer of Peoria, possibly right here in Lake County, and Lake County at long last will present a candidate for state office. The big question concerning the candidate's identity will be answered after a meeting between representatives of State Rep. W. J. Burphy, State Senator Robert Coulson, and Wauke-

gan Mayor Robert Sabonjian since only one of them can be on the ticket. Sen. Everett M. Dirksen will keep the political pot boiling by saying nothing while political pundits try to foresee whether or not he will run for office again or throw his Senate post up for grabs between Richard Ogilvie, W. J. Scott, or the son of the late Charles Carpenter.

Sometime during the year Sheriff Harold Scheskie will announce the appointment of his Chief Deputy and it won't be former Coroner Robert H. (Mickey) Babcox. County Treasurer Ray Sheahan will name a Chief Deputy and it won't be Robert J. Milton. County Coroner Orville Clavey will get involved in township races all over the county as he continues to build himself a reputation as a king-maker, and some of the people he supports will win in spite of it.

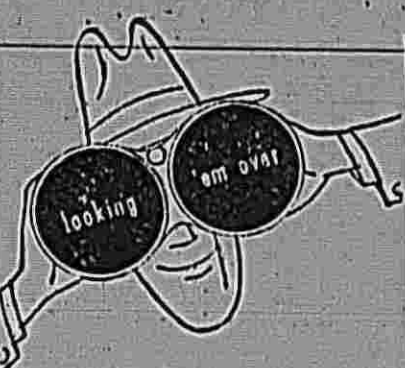

There will be some hot contests for county board posts, but most of the incumbents, including Antioch Supervisor Lloyd (Red) Murrie, will return. The hottest contest will be in Waukegan where Taisto Aho, chairman of the county building commission, will attempt to unseat Supervisor August Cepcon, unsuccessfully. LeRoy Fritz will have opposition in Newport township and there is a rumble that former County Board Chairman Emmett Moroney will back his son in a bid to unseat Frank Peers as Deerfield Supervisor.

Jack Hogan, of JacNot Farms in Old Mill Creek, has resumed his breeding operations on a large scale and sometime during the year will report the arrival of the first Kentucky Derby winner foaled in Illinois. Sometime during the year cognizance will be taken of pollution in the Chain O' Lakes and a meeting will be called to discuss possible solutions.

Happy New Year to all.

WHAT OTHER PEOPLE THINK

"Some of us spend much of our waking hours wondering 'what people will think.' It's a great deterrent to thwart rash action in the little world in which most of us live. Then there are others who don't appear to care too much 'what other people will think.' Some-

By Pearl Kapell

Deer, it seems, are creating quite a safety hazard on Route 173 west of Channel Lake. Harry Stern, an ardent conservationist but also interested in highway safety, called our attention to the number of deer hit by cars on that stretch of road in the last few weeks.

A couple of accidents have been caused by cars hitting deer in that area. Last week, two more deer were hit by cars.

It's too bad, of course, that the deer are killed. But more important, I should think, is the danger to motorists.

As fond as I am of wild animals, a busy highway is not the place for deer. There's no way to avoid that, if we are to have deer, but at least motorists should have ample warning that deer are likely to leap out onto the pavement.

The state has put up two small signs saying stray deer. That means very little to motorists who know little about deer. Seems as though some noticeable signs saying "Danger — Deer Crossing" or "Slow — Deer Crossing" would be in order.

HAPPY NEW YEAR! Close on the heels of the birthday of Christ comes the birthday of a New Year. We hardly get time to draw a deep breath after the Christmas holidays before we usher in the New Year with all sorts of festivities.

I gave up making New Year's resolutions long ago. I never keep them anyway. So I'll just try not to make the same mistakes I made last year. And the year before that.

This is a good time to: buy Christmas ornaments for next year (that's optimism); bake a loaf of home made bread; return Christmas gifts that don't fit; go to Florida; read a book; try not to wish it was spring.

You have 365 bright new days coming up. Have fun!

Letters to
the Editor

129 Eastview Drive
Normal, Ill. 61761
Dec. 19, 1966

Editor, NEWS,
They say, "Don't worry about the national debt—we owe it to ourselves."

If that is true, why does the federal budget include over \$11 billion annually just for interest on the national debt? Who ever heard of anybody paying himself interest?

Then we'll soon be hearing that tired old story about the national debt ceiling of \$328 billion — a "ceiling" that's been raised 12 times in ten years.

Instead of the \$328 billion, our total federal obligations are four times that much, according to the late Senator Harry Byrd. He said the total of our funded debts PLUS the legislated and contractual obligations is in excess of \$1 1/4 trillion.

That is \$6,400 for every one of the nation's 195 million men, women, and children.

Our government has been in the red 30 out of the last 36 years so don't expect the White House to admit there's anything wrong with mortgaging the future of generations as yet unborn — the kids won't ever know the difference. And you can bet the government will never tell the truth to us taxpayers — so long as it can buy our vote with OUR OWN MONEY.

Morris H. Banner

times — individuals who are constantly in the public eye are the least concerned about public image. They have worked too hard for the public and figure they owe it nothing, because they may not have been paid sufficiently in dollars and cents for their efforts toward making a contribution. So they kick over the traces of conventional behavior — sometimes hurting themselves in the process." — The Harvard Herald.

Petition For Permanent Licenses & Registration

Petitions to Governor Otto Kerner and Secretary of State Paul Powell are being circulated to enlist their support at the 1967 session of the Illinois General Assembly for a permanent motor vehicle registration and license law.

The AMVETS Department of Illinois, Illinois Police Association, Fraternal Order of Police-Illinois State Lodge, Policemen's Benevolent and Protective Association of Illinois, and the Better Government Association are circulating the petitions throughout the state.

Under the proposed permanent registration and license law, each automobile owner would be assigned a permanent license number. In addition to a license plate which would last at least three years, each motor vehicle owner would also receive a decalcomania, bearing the same number as the

license plate, which would be displayed on the windshield of trucks and on the rear window of automobiles. Only a new decal would be issued each year thereafter, bearing the same license number.

The proposed law will apply to all motor vehicles using the highways, including automobiles, trucks, trailers, and motorcycles.

The proponents of the legislation contend that there would be substantial savings of money, since it would be cheaper to issue a decal each year than new metal plates. Mailing costs alone would be reduced by 21¢ each year for each application.

The law enforcement agencies point out this system would prevent the use of fictitious license plates, aid in the quick and proper identification of owners and vehicles, prevent false registrations, eliminate unnecessary and unproductive investigations, aid the police in locating the owners of motor vehicles, prevent the harassment of law-abiding motor vehicle owners and deter the commission of numerous crimes.

Steve P. Halla, Chicago police detective who has been conducting a one man campaign since 1948 and now has obtained the backing of five major organizations, says that the proposed bill will provide for efficient administration, effective law enforcement, economy of operation, protection of the rights of all honest motor vehicle owners, and will provide the greatest deterrent to crime of any single law ever enacted in this state.

Copies of the petitions to Governor Kerner and Secretary of State Paul Powell can be obtained from any of the organizations, and the aid of all other organizations in signing and circulating such petitions for support of

ALONG THE WAY with Annie Mae

Holiday Lull

The long weekend sure brought out the ice fishermen. I'll bet there was more than one Christmas present out on the ice.

Caught our fighting Seaguit basketball team bowling Friday. Good luck in the Rockford Christmas Tournament.

One of the most unusual Christmas gifts I've heard of was a phone call to Japan.

Mr. H. C. Diefenbach, advertising counselor, Dayton, Ohio, says: "There must be something wrong with the thinking of young folks when, seeking employment, they are more concerned over 'security' than over opportunity. In OUR book, the principle of private enterprise is our greatest security. The businessman who pays

for Elizabeth Shepard to talk to her daughter Mary Terry and family. The gift was presented by her son, Walter Shepard and wife.

I understand Pat Lorenz was the recipient of quite an eye catcher.

All along I thought it was the tree that got trimmed but I found out it was my pocket.

Happy New Year.

ANNIE MAE

wages year after year gives us our greatest security. If we eliminate him, no government bureau or vote-hungry politician is going to give it to us."

One way to restore humility is to read the help-wanted ads. You'd be surprised how many positions there are which you are too ignorant, too unattractive, or too old to fill.

"Serving the Lakes Region since 1894"

Local Woman Wins Car

Mrs. Mary B. Queen, Rt. 2, Antioch, collected her brand new 1967 Oldsmobile Cutlass

John Teresi presents the keys to a new Cutlass to Mrs. Mary Queen, Antioch. Mrs. Queen won the car in a contest.

Holiday Coupe from John Teresi Chevy - Oldsmobile, last week.

Mrs. Queen was one of the winners in WLS Radio's "Gallant Men Sweepstakes" pro-

motion, in which listeners unscrambled words mentioned on the station into a phrase. Her name was drawn from hundreds of thousands of cards and letters sent to WLS during the Sweepstakes.

Catholic Women Slate Annual Winter Meeting

Mrs. Jerome A. Vogler of Antioch, president of District North Lake of the Archdiocesan Council of Catholic Women, will preside at the annual winter meeting, on January 30, at 7:30 p.m. at St. Patrick's Wadsworth Rd., (1/2 mile east of U.S. 41), Wadsworth. The Rev. William T. Slattery, pastor of the host parish, will welcome the officers, chairmen, and active members, representing the women's organizations of 15 parishes in the area.

The primary purpose of these winter meetings is the training of parish chairmen, to assist them in carrying out the program of the ACCW through the mandated committees. After a brief business session, Mrs. Vogler will turn the meeting over to the district chairmen, each of whom will conduct an hour-long workshop period.

The discussion groups and their chairmen are: Spiritual Development, Mrs. Rudy Eckert; Library and Literature, Mrs. Anthony J. Scully; Discussion Club, Miss Irene Doyle; Our Lady's Volunteers, Mrs. Robert Barnett, Sr.; Medical Missions, Mrs. Arthur McGreal; St. Vincent's Committee, Mrs. John Harrison; Girl Scouts, Mrs. Stephen Diekowski; Decency Crusade, Mrs. Joseph Burke; Community Service, Mrs. Arthur Luoko; and Public Re-

lations, Mrs. A. M. Holbrook. During the discussion periods, methods will be evaluated, program ideas will be exchanged among parish delegates, and information will be given on the promotion of all phases of the ACCW program.

Monsignor Joseph J. Howard, executive director of the Archdiocesan Council of Catholic Women, stressed the importance of inter-parish co-operation. "In order to implement the social teachings of the Vatican Council," Monsignor Howard explained, "our committee projects must function in every parish, and all of our women must work together, to become a force for the common good of the entire community."

The president of the host parish, Mrs. Frank Kaiser will welcome the members to the meeting. Other ACCW officers from the area include: Mrs. Stanley Szymanski, St. Peter, Antioch; Mrs. Edward Vestgard, St. Bede, Fox Lake; Mrs. Delbert Hook, St. Gilbert, Grayslake; Mrs. Edward J. Koranda, Prince of Peace, Lake Villa; Mrs. Wilfred F. Balnes, Holy Family, North Chicago; Mrs. Jacob Bajorek, Holy Rosary, North Chicago; Mrs. Robert Griswold, St. Joseph, Round Lake; Mrs. Frank Kaiser, Jr., St. Patrick, Wadsworth; Miss Loretta Kehoe, St. Ana-

stasia, Waukegan; Mrs. George Bakantis, St. Bartholomew, Waukegan; Mrs. Don Kreul, St. Dismas, Waukegan; Mrs. Raymond Uimari, St. Joseph, Waukegan; Mrs. Robert J. Schueneman, Immaculate Conception, Waukegan; Mrs. Frank Petric, Mother of God, Waukegan; Mrs. Donald G. Collins, Our Lady of Humility, Zion; Mrs. Gregg M. Moga, Holy Name Chapel, Great Lakes; and Miss Dolores Groholl, Catholic Woman's Club of Waukegan and North Chicago.

Powell Plans Program Of Safety Legislation

Secretary of State Paul Powell has announced his highway safety program for consideration by the 1967 session of the General Assembly.

Key planks in Powell's highway safety program include: annual and mandatory vehicle inspection and safety equipment requirements for motorcycleists; driver re-examination.

Annual mandatory vehicle inspection is already in the mill, with the introduction of House Bill 1 by Representatives Allen T. Lucas, Robert Craig, Michael E. Hannigan, Clyde L. Choate, Harold A. Katz, James Y. Carter, Corneal A. Davis and Mrs. Eugenia S. Chapman.

Under House Bill 1, no new car could be sold without first passing an inspection and no used car could be sold unless it had been inspected within three months of the date of sale.

Concerning safety equipment for motorcycleists, the State Highway Police have made studies of the requirements of other states and have made recommendations in this area.

Driver re-examination

would require the periodic re-examination of all drivers.

Safety authorities favor re-examination, and Federal authorities will insist on it. Secretary Powell is desirous of proposing a program that is compatible with Federal requirements. Powell and his staff prefer re-examination every 10 years and is awaiting receipt of further information from Washington.

The present law does not require a special driving test on a motorcycle. Powell proposes that such a driving test be required and that driver licenses be identified so that only those persons so qualified can legally drive a motorcycle.

Referring to minors, Secretary Powell said that in January, 1967, the issuance of colored licenses to minors will begin. He feels that the use of colored photographs, a costly addition, is unnecessary and that the money could better be spent for driver education.

Powell is also recommending enactment of a new uniform law simplifying the junking of abandoned vehicles but still protecting title interest to such vehicles.

New Year Omen In Scotland

In Scotland if one meets a beggar, sexton, gravedigger, or a person with empty arms on New Year's Day that presaged ill fortune. However, if one encountered a rich man, or someone with his arms loaded, this was a sign of good luck. And in Lancashire to share a lighted match with another was sure to bring him harm. In some localities, chimneys were cleaned out to assure prosperity. It was a belief of the Spaniards that if a person had a gold chain in his pocket on the first day of the year, he would never lack for cash in the coming months.

OLD SUPERSTITION

There's an old superstition that some still follow today; and not only at New Year's. It is the attempt to prophesy the future by "dipping" into the Bible at random. A person places his finger on a certain spot, reads the passage, and then tries to make it foretell his future.

Second Phase Of Medicare Is Effective January 1

The second phase of Medicare, Post Hospital Extended Care Benefits, is scheduled to begin on January 1, 1967, according to Bernard Barnett, Social Security District Manager.

Extended care is care in a special kind of nursing facility, Barnett said. It is not the kind of custodial care many nursing homes provide; nor is it long-term care. Instead it is a relatively short-term skilled care for the recently hospitalized patient who continues to need full-time skilled nursing care.

Medicare will provide extended care benefits for a person if:

1. He is hospitalized for a minimum of 3 consecutive days and is discharged after June 30, 1966;

2. He is admitted, on a doctor's order, to the extended care facility within 14 days from the date of his hospital discharge;

3. His admittance to the extended care facility is for further treatment of a condition for which he was hospitalized; and

4. The extended care facility is approved for participation in the Medicare program.

If a person is admitted to a nursing home or other facility for custodial or personal care and not primarily for further treatment of the condition for which he was hospitalized, extended care benefits under Medicare are NOT payable. This is so whether or not the institution is a Medicare-approved extended care facility.

Not all nursing homes will qualify for participation reported Barnett. Several nursing homes in this area will not be approved for participation as an Extended Care Facility because they do not provide the type of care covered by law. The fact that they do not qualify for participation, Barnett added, does not mean they offer sub-standard services.

A pamphlet "Extended Care Benefits after Hospitalization" is available upon re-

quest. This pamphlet outlines the conditions under which this type benefit will be paid.

For more information, persons can call 244-5050, or stop in at the Social Security office located at 2500 Grand Avenue, Waukegan, Illinois 60085. The office will remain open on Monday evenings until 8:00 p.m. for individuals who find it inconvenient to call during the day.

Nineteen Join Honor Society At Wilmot High

Nineteen new members were admitted into the National Honor Society at Wilmot High School recently.

At 7:30 p.m. the annual candlelight ceremony began. The greeting was given by Dave Carnahan, NHS president, after which Dennis Jensen explained the symbolism of the society's torch and keystone.

Giving interpretations of the club's ideals were Cathy Balazs, character; Geoffrey Wheeler, scholarship; Jeff Schimpff, leadership; and Donna Brown, service.

After the speeches, the new members were admitted into the Society through an individual candle-lighting ceremony and were given their certificates and pins. Refreshments were served afterwards.

New members are: Tim Elverman, Donna Flesch, Bonnie Koehn, Sandra Malecki, Leslie Moe, Carol Vanderwerff, Joanne Badger, Mary Bartels, Kurt Capelli, Lowell Johnson, Irene Kempen, Marilyn Kovagevich, Dale Oldenburg, Robyn Olson, Anita Patterson, Rick Renwick, Sharon Stockwell, Mike Thom, and Therese Walker.

This year's officers are: president, Dave Carnahan; vice-president, Jill Barry; secretary, Donna James; and treasurer, Dennis Jensen.

The main purpose of the Society is to promote charac-

Ill. Bell Sums Up Year's Progress

An unusual combination of history-making service expenditures and rate reductions highlighted 1966, Illinois Bell Telephone's Antioch Manager Jerry Babb, said today.

"More than \$220 million was spent throughout the company's territory on new construction," Babb said. "During 1966, our capital spending was invested in land, buildings, wire and cable, switchboards, telephones, trucks, tools, and many other things needed for modern communications."

"In spite of this record expenditure, we were still able to implement further rate reductions in Illinois, making telephone service a better buy than ever before," he added. "Reductions, changes and new services in 1966 made possible more than \$8,500,000 in annual savings for Illinois Bell Telephone users."

In rural Antioch, the installation of over 30,000 feet of underground cable provided for greater dependability and protection from weather in the future. Also some 200 rural subscribers received improved urban service with elimination of mileage charges and rural telephone service rates.

Rate cuts effective May 27 included a reduction from \$4 to \$2 in the one-time charge for standard color phones and the elimination of a \$5 one-time charge for changing residence telephones to Touch-Tone service.

On July 2, charges were cut on many long distance calls within Illinois and between communities in the Chicago suburban area.

Rates were also reduced for Wide Area Telephone Service (WATS) in Illinois, various private line services, the Card Dialer (an automatic dialing phone) and volume control phones, which are used by persons with impaired hearing or weak voices.

"The fact that we were able to reduce rates during a year which necessitated record spending illustrates the importance of research and the development of more economical manufacturing techniques," said Babb.

"A major share of the credit for providing customer savings must go to scientists at Bell Telephone Laboratories and to Western Electric, the manufacturing and supply arm of the Bell System. Recent improvements in telephone technology and continuing efforts to increase efficiency and cut costs enable us to provide better service at lower prices."

"And speaking of rate reductions, we'd like to remind customers of our Call-Pak calling plan. This bargain calling package has proven popular in the Antioch area."

Some 680 customers here use Call-Pak. We think there are many more who might save money using this plan instead of the standard billing arrangement."

As the number of customers and their need for greater use of communications services grew, so did the need for more telephone employees to provide these services. To help meet the demand for employees, Illinois Bell opened area employment centers in Arlington Heights and Waukegan.

"Opportunities are available for qualified high school graduates and those with some college experience who would like to be part of the growing communications business," Babb said. "Progress in the telephone business is based on individual merit and opportunities are unlimited. We opened the employment centers in order to better serve this area."

Record telephone company expenditures and record demand for telephone service were noted by local management in year-end statistics gathered in the Antioch area. An average 17,700 telephone calls were placed each weekday here according to Miss Jean Augustman, chief operator.

"Although many of their calls are now dialed direct," she said, "telephone users can depend on the operator behind the dial to help with emergencies and special calls. In fact, we need operators!"

In order to provide its services in the Antioch area, Illinois Bell and American Telephone and Telegraph Company spent \$327,000 locally in the form of wages to employees, property taxes and other purchases and payments including purchases by Western Electric.

Wire Chief Al Benning, who is responsible for installation and maintenance of telephone equipment, says that as of the end of 1966 there are about 5,900 phones in service here. Some 1,300 new phones were installed for a net year-end gain of 380 in the Antioch area.

Said manager Babb, "Speaking in behalf of the 24 telephone company employees who work in Antioch and some 40 who live here, I'd like to wish all our customers a happy and prosperous new year. We are looking forward to serving you during the year ahead."

Grill A Turkey Roast For New Year's Feasting

After partaking of all calorie-laden foods of the holiday season, most people crave something different for New Year's feasting—especially foods with few calories.

Northern Illinois Gas Company home economists suggest one of the new food products found on the market today to aid the new year's dieters with their calorie-minded resolutions. It's a boneless turkey roll.

According to the utility experts, turkey is one of the lowest of all meats in calorie content. And, they add, the protein-packed white turkey meat adapts well to the precision of outdoor cooking on a gas-fired grill.

Ceramic briquettes, heated in the grill by a reliable gas flame, provide even, controlled cooking temperatures which result in mouth-watering roasts. The smooth, revolving rotisserie allows constant self-basting which adds to the juiciness and flavor of the meat without adding calories.

For cooking a turkey roast on the outdoor gas grill, NI-Gas chefs recommend the following tips:

1. Purchase a turkey roll which is bound securely by string.

2. Before cooking, thaw turkey roll carefully according to package instructions.

3. Unseasoned roasts should be rubbed lightly with salt and pepper.

4. Insert the spit rod lengthwise through the center of the turkey roll and secure skewers in place. Check the balance of the roast on spit to assure smooth rotating during cooking period.

5. Brush roast with melted butter and set the gas grill control on low.

The gas-fired grill will cook the turkey rapidly with all the natural juices sealed in and with the characteristic "charcoal" flavor of outdoor cooking.

A meat thermometer will aid in cooking the turkey to just the right degree, say the NI-Gas home economists. Insert the thermometer in center of the roast, being careful not to touch spit rod. The roast is done when the thermometer registers 170-175° F.

Before slicing the roast, the utility chefs recommend letting the roast stand 20 to 30 minutes to absorb extra juices. Remove the string, slice with a sharp knife or

meat slicer and serve. After the meal is over, leftover turkey meat should be wrapped and refrigerated promptly. This prevents drying or flavor loss.

With the meal over and the turkey put away for a later snack, the gas grill must be cleaned. This is an easy task, report the NI-Gas experts. The gas grill control is turned to high for 5 to 10 minutes. The high heat will clean the coals of any cooking residue.

To many people, turkey is not complete without a spoonful of dressing served along with it. Here is the NI-Gas recommended dressing recipe:

1 1/4 cup melted butter
1/2 cup chopped onions
1 cup chopped celery
1 cup chopped fresh mushrooms
1 (8 ounce) package herb seasoned stuffing mix
1 cup canned chicken broth
1 egg slightly beaten

Directions: Melt butter in a medium sized skillet. Sauté onions, celery and mushrooms in butter over a medium flame or the temperature controlled burner set at 300°. Add chicken broth. Pour heated mixture and egg over stuffing. Mix and toss lightly until moist. Make dressing balls, using an ice cream scoop. Place balls on greased cookie sheet and bake for 30 minutes at 350°.

COLONIAL CHRISTMAS

Little is recorded in the histories of Christmas in Colonial times. This is because the history is more often concerned with wars and politics. The colonists in Virginia, Maryland and Georgia brought over the English customs whereas in New York, New Jersey, Pennsylvania, and Delaware, the customs came from Holland, Sweden, and Germany. The quakers near Philadelphia did not observe holidays, and in New England, the whole idea of Christmas was frowned upon.

PAINT THE DOOR

Don't neglect the front door and foyer, when dressing up your holiday house. A fresh coat of paint will brighten your threshold and provide a gleaming backdrop for your Christmas door decoration.

WHY THE TINSEL

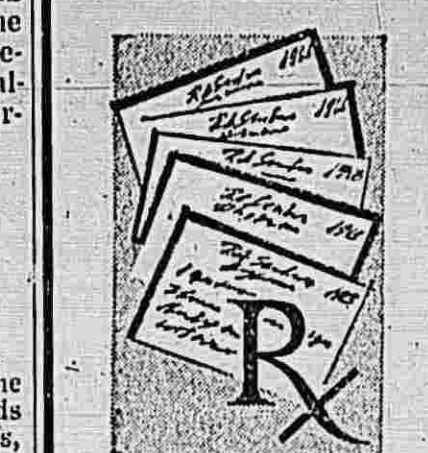

It is a children's story about how little spiders helped trim the tree.

Resolutions-- And Keeping Them

Making New Year's resolutions has long been an American custom. Even though some scoff at this idea, and few succeed in keeping all of their resolutions, we are encouraged in the attempt by the poet, Alfred Tennyson, who wrote:

I hold it truth with him who sings
To one clear harp on divers tones
That men may rise on stepping stones
Of their dead selves to higher things.

A Pharmacist's Diploma

That diploma is more than just a piece of paper... it signifies that the holder has completed years of study at an accredited pharmacy college, plus a period of practical work under a registered pharmacist, and is qualified to serve your needs!

P.F.C. and Mrs. Lawrence E. Jesse

Haase-Jesse Rites At St. Peter's Church

Judy A. Haase and P.F.C. Lawrence E. Jesse were united in marriage at 1 p.m. November 19, at St. Peter's Church in Antioch. The Rev. Prendergast officiated at the double ring service. The bride was given in marriage by her father.

The bride is the daughter of Mr. and Mrs. Clarence Haase of Antioch. Mr. Jesse is the son of Mr. and Mrs. Harry Jesse of Antioch.

The bride chose a gown of white nylon sheer over bridal tulle with alencon lace trim.

The bodice was fashioned with a scalloped neckline and long bridesmaid sleeves. The semi-controlled skirt had a detachable lace-edged chapel train. The bride wore her sister's shoulder-length veil, held by a crown of seed pearls, and carried a cascade bouquet of white sweetheart

roses and stephanotis.

Mrs. Patricia Seftwa was matron of honor. The bridesmaids, sister of the bride, were Bonnie and Barbara Haase and Mrs. Sharon Watson.

The bride's attendants wore floor-length gowns of Empire style. The royal blue velvet bodices had scoop necklines and elbow length sleeves. A velvet ruffle edged with Venice lace trimmed the sleeves and marked the Empire waistline. The skirts were powder blue crepe. The veils, made by the bride, were powder blue net held by a blue velvet bow. They carried white snowdrift mums tinted blue.

Richard Fitch was best man. William Haase, cousin of the bride, Alan Glader, and Richard Hagle, cousin of the groom, were ushers.

Denise Haase, sister of the bride, was the flower girl and Mark DeMarco, cousin of the bride, was ring bearer. Kenneth Watson, the bride's brother-in-law, was soloist.

A reception for about 150 persons was held at the American Legion Hall. Mrs. Adela Rau, Mrs. Frank DeMarco, Mrs. Sandra Kinderman and Rebecca Rau acted as hostesses.

Mr. and Mrs. Jesse drove to their new home in Colorado Springs for a honeymoon trip.

Both the bride and groom are graduates of Antioch High School.

FHA Girls Give Christmas Party

The Future Homemakers Club of Central High School gave a Christmas party Dec. 21 for 22 girls from the Southern Colony. Santa was present to hand out gifts to the guests.

As a special treat for the 22 girls, Laura Pasch presented each colony girl with a stuffed Santa Doll which she had made.

Chairman of the party was Jo Ann Jozapaitis. Mrs. Mary Polley and Mrs. Donna Cowan, Home Ec teachers, were faculty sponsors.

Rainbow Girls Sponsors To Meet

The Annual meeting of the sponsoring body of the Order of the Rainbow for Girls, Antioch Assembly No. 23, will be held Sunday, January 8 at 2 p.m. in the Masonic Temple on Main St.

All interested Masons and Eastern Stars are invited to attend.

Antioch Adventurers

The Antioch Adventurers 4-1 Club went caroling at Hampstead House Nursing Home at Fox Lake on Dec. 14.

The girls in Sewing met at the home of Mrs. Ernest January and Mrs. Andre Meuter and made Christmas gifts for their mothers.

The Mosaic group met at the home of Mrs. Len Lagerstrum and worked on flowerpots.

W.S.C.S. Meeting

The Women's Society of Christian Service will meet January 4 at Wesley Hall.

The Worship Service will be given by Mrs. George Good. A film will be shown on "Children Without", a study on affluence and poverty.

The Martha Circle will be hostesses for the afternoon. Co-chairmen will be Mrs. Samuel Ries and Mrs. Roy Kufalk.

Where The Boys Are

James J. O'Neill, Great Lakes, Ill. (PHOTO)
—Seaman Recruit James J. O'Neill, 19, USN, son of Mr. and Mrs. James P. O'Neill of 47 Second St., Antioch, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

Legion Auxiliary

By Del Jahneke
Mrs. Anton Johnson, Legislative Chairman of the Antioch American Legion Auxiliary No. 748, states that emphasis will be placed on Legislative work during the month of January. This program is a very important one as every effort is made to win public support for American Legion endorsed bills which are before Congress.

The Unit members are asked to assist in keeping the American women informed about measures essential to our nation's security from attack, and also to assist in promoting legislation pertaining to our veterans.

The Antioch American Legion Auxiliary keeps its finger on the pulse of any action pending before Congress by subscribing to the Legion's National Legislative Bulletin. Many letters are written throughout the year to Senators and Congressmen in support of or against bills being presented.

The members of the American Legion Auxiliary were instrumental in the passage of several bills presented by the American Legion, the latest of which was the Junior G. I. Bill and its amendments, which were passed during the last session of Congress.

Mrs. Philip Cole of Highland Park is the 10th District's Auxiliary Legislative Chairman. Antioch Unit chairmen are reminded to prepare their semi-annual reports on their programs to their respective 10th District Auxiliary Chairmen.

A HAPPY NEW YEAR WELCOME 1967

By Lillian Birdsell

Governor of the Antioch Moose Lodge, Richard Jorgensen, Jr. governor Seth Mark and Collegian Gerry Mark spent Christmas Eve at Mooseheart visiting Velma Blaney, the chapter's Sunshine child. Mrs. Blaney, Velma's mother who just arrived here from Canada was with them as they visited with each one of the children. There are four of Mrs. Blaney's children living at Mooseheart while the fifth one who is under constant medical care stays with her up in Canada. Mrs. Blaney will be spending New Year's Eve at the Antioch Moose Lodge.

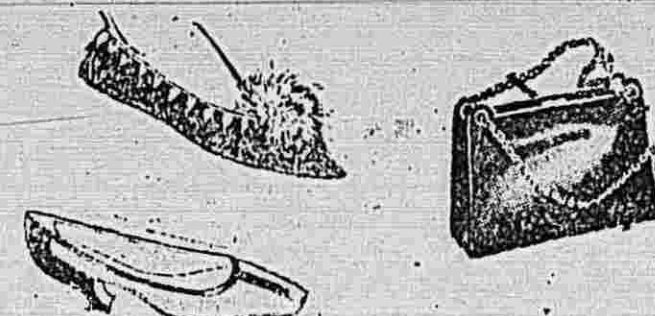

The New Year's Eve party is all set up for the members and their guests at the Antioch Moose Home. There will be fun and favors for all and the Twilights will play the music for dancing. A smorgasbord will also be served. Plan to attend.

The Moose Traveling Bowling League played at Harvard Sunday, Dec. 18, winning 2 of the 3 games played, with only three members of the team present. Dan Ellichek had a high series of 659 and the team had high game of 1039. The three players present were Robert Hadley, Dan Ellichek and Jak Valeno. The next bowling date is set for Sunday, Jan. 8, at Fox Lake.

Cold Weather Speeds Derby Plans

The Northern Illinois Conservation Club's 6th annual Ice Fishing Derby, set for Sunday, January 8th at the south end of Channel Lake is beginning to pick up a full head of steam. Fish are hitting furiously through the thickening ice, and prizes are pouring in to Derby headquarters. Over one hundred prizes will be dished out to winners of the various fish-catching categories and special events contests.

Included in the prize list is an electric drill, twin boat

horns, battery charger, electric coffee percolator, parakeet, pocket dater, vase, door knockers, battery operated car, men's cologne and hair tonic, cuff links, portable coolers, gasoline and electric lamps, picnic jugs, fly rods and reels, casting rods and reels, spinning rods and reels, pincast rods and reels, landing and live nets, tackle boxes and tackle scales and fish scalers, hand warmers, minnow buckets, woolen mittens, baits and lures, travel kit, insulated

Champs Roll 663, 603

Bowlers who competed in the "Beat the Champ" contest now know what they have to bowl to beat the champ.

Joy Abel rolled a 603 Sunday afternoon for the women's division of the contest. Her games were 168, 238, and 197.

Dick Weber rolled a big 663 for the men, with games of 211, 214 and 238.

Race Track Readies For Next Year

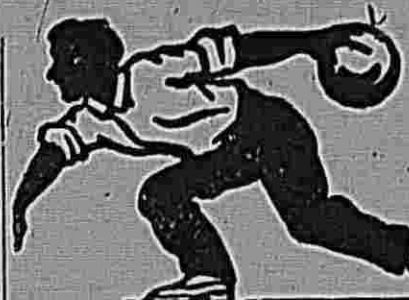

The Waukegan Speedway will swing open their gates for the 1967 auto racing season on Saturday night, April 15, with a doubleheader program spotlighting twin features in the late model and the modified divisions. Early season racing will be limited to Saturday night doubleheaders for the remainder of April. Sunday night racing will be added in May and Wednesday night competition will make its debut in June.

A new division at the Waukegan Speedway for 1967

will be the hobby stock class. This division is open to "off-the-street" cars provided certain safety regulations are met. The hobby stockers will race for cash prizes every race night, starting May 6th, in their own special races.

The doubleheader programs which were run on Sunday night last season, featuring both late models and modifieds, will be replaced with modified-hobby stock races this season on Sundays. The growth of the late model division in the past two seasons has necessitated another full night of late model racing. The additional night for the late models will be Wednesday and their Sunday night racing will be discontinued.

The modifieds will move into their familiar Sunday night slot May 7th and are scheduled on Sunday nights, until September 24th. The late models will continue on Saturday nights until September 24th. The late models will continue on Saturday nights until September 30th. Wednesday night late model events will start June 7th. Three Monday night

holiday events are also scheduled. This all totals to a healthy roster of over 60 race meets at Waukegan in '67.

With the addition of Wednesday night racing to the schedule for '67, the Waukegan Speedway has decided to move their starting time forward one-half hour. Now the first race will start at 8 p.m., trials at 7 and the gates will open at 6 p.m. Again this year the Waukegan Speedway "WHETHER" line will be in service at 662-8200 offering the latest report on whether the races are "on" or "off" in the event of uncertain weather conditions.

New Baby

Mr. and Mrs. James (Alberta) Taylor, 2415 Magnolia Ln., welcomed their third child and first son, December 17 at Victory Memorial Hospital. William James tipped the scales to 9 pounds 12 ounces. The Taylors' daughters are Jacqueline Ann, 3 years old and Sandra Jean 1½ years old.

The grandparents are Mr. and Mrs. James B. Taylor of Monaville Road, Lake Villa, and Mrs. Margaret Johnson, who resides with the Taylors.

Sold Their Homes
Paul and Julia Pearson have sold their home at 2103 Burr Oak Ln. and are staying with their daughter, Mrs. Denver Shore, until January, when they plan to go to California to visit another daughter.

Ed and Phyllis Dragoon have sold their home at 2113 Fairfield and are living temporarily on Hillcrest and Grand. Mr. and Mrs. Ernest Garcia are living in their home. We welcome them at this time, too.

Newcomers

We have so many new families in the Village this year that we want to welcome them at this time and wish them a very merry Christmas and a Happy New Year in their new home.

Mr. and Mrs. Jerry Foss, binder are living at 202 Valley Dr., Mr. and Mrs. Thomas Field, 2100 Woodland Dr., Mr. and Mrs. Robert Halverson, 2013 Burr Oak Ln., Mr. and Mrs. Clarence Menges, 214 S. Valley Dr., Mr. and Mrs. H. M. Spittle, 1800 Hazelwood Dr., Mr. and Mrs. Arthur Bleeke, 2050 E. Timber Lane, Mr. and Mrs. Paul Brown, 2403 Valley Dr., Mr. and Mrs. Friedrich Brendel, 2208 Sprucewood Ln., Mr. and Mrs. Larry Bukantis, 111 Magnolia Ln., Mr. and Mrs. Donald Evanson, 2103 Burr Oak Ln., Mr. and Mrs. James Dunn, 1908 Fairfield Rd., Mr. and Mrs. Duane Lacy, 1811 Burr Oak Ln., Mr. and Mrs. Frank Wren, 2106 Sprucewood Ln., Mr. and Mrs. Martin Mack, 2219 Ridgeland, Mr. and Mrs. Glen Roberts, 130 Magnolia Ln., Mr. and Mrs. Donald Buckmaster, 2005 Old Elm Rd., Mr. and Mrs. Dominick Macellaro, 211 Valley Dr., Mr. and Mrs. Meredith White, 50 Urospect Dr., Mr. and Mrs. Joseph Burba, 2402 Grand Ave., Mr. and Mrs. Robert Lang, 2315 Valley Dr., Mr. and Mrs. Ernest Adams, 2221 Rolling Ridge Ln., Mr. and Mrs. Thomas Cox, 2205 Country-side Ln.

Bridal Shower
About fifty ladies attended a bridal shower earlier this month for Linda Joyce McCleod at the Lake Villa VFW Home. Co-hostesses were Christie McCleod, sister of the bride, and their aunt, Mrs. Michael Bicanic of Waukegan, and Mrs. Charles Smith of Deerpath Rd., Lindenhurst. Linda received many lovely, useful gifts.

The friends and relatives came from Chicago, Morton Grove, Wis., Antioch, Lindenhurst and Lake Villa. Miss McCleod is the daughter of Mr. and Mrs. Walter McCleod of Grand Avenue, Lake Villa. Her marriage to Pvt. Aurel Samuel Gallu, son of Mr. and Mrs. Aurel Gallu of Venetian Village, took place Saturday, December 24 at 1 p.m. at The Good Shepherd Lutheran Church in Lake Villa.

Funeral Services
Funeral services were held at 2:00 p.m. Tuesday, at St. Mark Lutheran Church in Lindenhurst. Rev. Harold I. Nelson of St. Mark Lutheran Church officiated. Interment was in Avon Center Cemetery near Grayslake. Contributions may be made to St. Mark Lutheran Church or the Lake Villa Rescue Squad.

Kenneth E. Whitbread
Dr. Kenneth E. Whitbread, 79 years old of Selter's Subdivision, Grass Lake, Antioch, passed away suddenly Tuesday, Dec. 27, at his home. Dr. Whitbread was born in Canada Nov. 5, 1887. He moved to Chicago where he attended Loyola University and graduated from Dental School in 1916. He had a dental practice at 1417 Fullerton Ave., Chicago, until he retired in 1958.

Death Notices

GEORGE H. AUSTON
George H. Auston, 52 years old of Venetian Village near Lake Villa, passed away at 1:30 p.m. on Saturday, Dec. 24, at Conell Memorial Hospital after a long illness. He was born May 7, 1914 in Chicago, and moved to Venetian Village in 1950. He had worked as a conductor for the North Shore Railroad until he was taken ill in 1955. He is a charter member of St. Mark Lutheran Church, member of North Star Lodge No. 6 Independent Order of Vikings in Chicago, and the Brotherhood of Railroad trainmen in Chicago for over 20 years. He married Ruth Nelson on October 14, 1950 at Knoxville, Ill.

His survivors are his wife, Ruth, one daughter, Miss Lisa Auston, at home; his mother, Mrs. Signe Auston, Lake Villa, and a brother, Oscar W. Auston, Lake Villa.

News "In And Around" The Salem Area

By Del Jahnke

Cub Pack 28 Holds Christmas Party

The Cub Scout Pack No. 28 held a most successful Christmas party and meeting at the Salem Consolidated Grade School recently. Cubmaster James Barnett conducted the meeting, and introduced the Scoutmaster Robert Gleichner, who will be in charge of the newly formed Scout Troop of Paddock Lake. This Boy Scout troop is sponsored by the Paddock Lake Businessmen's Association.

Two Cub Scouts, James Hansen and Ted Barnett, were inducted into the new troop, with committed member William Moeller giving them their charge. Plans for the January meeting were discussed, with rocket racing on the agenda.

"Santa" then appeared on the scene, giving gifts to the cubscouts and the other children present. Everyone sang Christmas carols. Fruit juice and cleverly decorated Christmas cookies were served by the two hostesses, Mrs. Delores Stallions and Mrs. Marilyn Marshall.

Entertains Sailor Brother During the Holidays

Mr. and Mrs. Dale Plants, Paddock Lake, had a big "welcome mat" out for J. Hoffman, N. S. Navy, now stationed at Kodiak, Alaska, who has been their guest for the holiday season.

Holy Name School Holds Christmas Party

A large audience of parents and children attended the Holy Name School's Christmas party, held on Dec. 22, at the Holy Name School. Each grade performed a skit. Afterwards, Santa gave Christmas gifts to all the children present.

Spend Christmas Eve At Parents' Home

The William Moeller family of Salem, and Mrs. Marlene Ashpoles and children of Camp Lake were guests on Christmas Eve at the home of Mr. and Mrs. Niek Grivas of Melrose Park. Mrs. Grivas is Mr. Moeller's mother. A family dinner party was held, and then followed a happy exchange of Christmas gifts.

Visits in Kansas

Mr. and Mrs. Larry Beck of Paddock Lake spent their Christmas vacation visiting friends and relatives in the state of Kansas.

Another Santa in Silver Lake
Several hundred young boys and girls saw "Santa" at the Silver Lake American Legion Home. Each child selected his own toy, and also received Christmas candy and refreshments. This annual affair is sponsored by the Silver Lake American Legion.

Funeral services
Funeral services were held at 2:00 p.m. Tuesday, at St. Mark Lutheran Church in Lindenhurst. Rev. Harold I. Nelson of St. Mark Lutheran Church officiated. Interment was in Avon Center Cemetery near Grayslake. Contributions may be made to St. Mark Lutheran Church or the Lake Villa Rescue Squad.

Kenneth E. Whitbread
Dr. Kenneth E. Whitbread, 79 years old of Selter's Subdivision, Grass Lake, Antioch, passed away suddenly Tuesday, Dec. 27, at his home. Dr. Whitbread was born in Canada Nov. 5, 1887. He moved to Chicago where he attended Loyola University and graduated from Dental School in 1916. He had a dental practice at 1417 Fullerton Ave., Chicago, until he retired in 1958.

He has lived in Antioch since his retirement but had been spending his summers here for many years. Survivors are his wife, Zora (nee Cochran) Whitbread, two sisters, Mrs. Jessie Johnson, Vancouver, and Mrs. Jean Klough, Sayre, Pa. Two sisters and a brother preceded him in death.

Funeral services will be held Thursday, Dec. 29, at 1:30 p.m. in the Strang Funeral Home in Antioch. The Rev. Donald Cobb of the Antioch Methodist Church will officiate. Interment will be in Liberty Cemetery north of Antioch. There will be no visitation prior to the funeral.

"Once upon a time when you said your battery was dead, you were talking about your car, not your toothbrush." — The Rochelle News.

Honor Roll At A.C.H.S.

HIGH HONOR ROLL

Second Six Weeks, 1966-67

To make the High Honor Roll, a student must have 18 points and no grade lower than a "B".

Seniors—Robert Mitchell 20, Carolyn Radtke 18, Louis Tanner 19, Jerry Whitson 18.

Juniors—William Bleeke 19, Glen Boco 20, Kathleen Boston 18, Irene Doyle 19, Wendy Eberman 18, Joyce Herman 18, Roger Kovachy 18, Janet Meyer 19, Sharon O'Neill 18, Mike Polley 19, Diane Polsgrove 19.

Sophomores—Irving Barthel 18, Bonnie Bobzien 19, Roger Boco 19, Jim Carlson 18, Ginger Goez 18, Charles Hollock 20, Heather Humley 18, Thomas Nickerson 19, Marilyn Radtke 18, Maureen Rooker 18, Pamela Stewart 19, Carol Westlund 20.

Legal Notice
STREET EXCAVATING ORDINANCE

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS:

SECTION 1. PERMIT REQUIRED. No person, firm or corporation shall change the grade or level, or injure or tear up any pavement of any street, sidewalk, crosswalk or curb or any part thereof, dig any hole, trench, ditch or drain in, or dig or remove any sod, stone, curb, earth, sand or gravel from any street or public ground in the Village without first obtaining a permit from the Village Clerk as hereinafter provided. In the event such permit is obtained for the purpose of making a connection to a sewer or water facility of the Village located in any public street, the Superintendent of Public Works, if practical, may require the applicant to tunnel or auger instead of removing or injuring the pavement.

SECTION 2. APPLICATIONS. No excavation permit shall be issued unless a written application for such permit shall be made to the Village Clerk. This application shall clearly set out the purpose of the excavation, location of excavation, size of the opening, type of pavement (if any) to be removed, approximate length of time excavation will remain open, the person, firm or corporation doing the actual excavating work and the name of the person, firm or corporation for whom the work is being done, and shall contain an agreement that the applicant will comply strictly with all ordinances, provisions, regulations and restrictions—as-to-back-filling, barricading and protected lighting at night.

Applications shall also show that the applicant has contacted all operators of gas, electric, telephone, water, sewer or any public utility service in the area, as well as this Village itself, to receive from them the information as to the existence and location of any underground facilities, so that the proper precautions can be taken to avoid accidents through damage to the underground structures.

SECTION 3. ISSUANCE. No such permit shall be issued except upon recommendation of the Superintendent of Public Works and on order of the Board of Trustees.

SECTION 4. PERMIT FEES. A permit fee shall be charged by the Village Clerk for the issuance of an excavation permit. The fee for each permit shall be \$10.00.

SECTION 5. BOND. No such permit shall be issued unless and until the applicant therefor has filed with the Clerk, a bond in the sum of Ten Thousand Dollars conditioned to indemnify the Village for any loss, liability or damage that may result or accrue from or because of the making, existence of, manner of guarding or constructing any such excavation. Provided moreover, that the Village Clerk shall hold such bond for one year after the work is finished to insure that the work has been satisfactorily performed.

SECTION 6. DEPOSIT. The application for an excavation permit to perform excavation work under this ordinance shall be accompanied with a cash deposit in the sum of Fifty Dollars, if no pavement is involved and Two Hundred Dollars if the excavation is in a paved area. Any deposit made hereunder shall serve as security for the repair and performance of work necessary to put the public place in as good a condition as it was prior to the excavation if the permittee fails to make the necessary repairs or to complete the proper back filling of the opening and the excavation work under the excavation permit.

FURNACES CLEANED AND REPAIRED

Camp Lake, Wis.
Tel. 414-880-4631.

mit. Upon the permittee's completion of the work covered by such permit in conformity with this ordinance as determined by the Superintendent of Public Works, two-thirds of such deposit shall be promptly refunded to the permittee and the balance shall be refunded upon the expiration of twelve months after the completion of the work. The Village may use any or all of any such deposit to pay the cost of any work the Village performs to restore or maintain the public place as herein provided in the event the permittee fails to perform such work, in which event the amount refunded to the permittee shall be reduced by the amount thus expended by the Village.

SECTION 7. BARRICADES AND LIGHTS. Any person, firm or corporation making or maintaining any excavation in any street or public place shall keep the same adequately guarded by barricades and lights to protect persons and property from injury.

SECTION 8. REPAIRING AND REPLACING EXCAVATIONS. Any person, firm or corporation making any excavation or tunnel in or under any public street or public place in the Village shall immediately upon completion of the work, and as fast as practicable during the accomplishment thereof, back-fill the excavation with sand topped with at least twelve inches of crushed road gravel and re-lay all paving or macadam in a skillful and permanent manner to conform to the adjoining paved or bituminous surface. Such work shall be done to the satisfaction of the Superintendent of Public Works and under his direction. If such work is not done within ten days after restoration is possible, the Village may back-fill and restore the surface and charge the cost thereof to the permittee, and the permittee shall also be liable for the cost thereof under the surety bond provided hereunder.

SECTION 9. CLEAN UP. As the excavation work progresses all public streets or public places shall be entirely cleaned of all rubbish, excess earth, rock and other debris resulting from such work. All clean up operations at the location of such excavation shall be accomplished at the expense of the permittee and shall be completed to the satisfaction of the Superintendent of Public Works. From time to time, as may be ordered by the Superintendent of Public Works and in any event immediately after completion of said work, the permittee shall, at his own or its own expense, clean up and remove all refuse and unused materials of any kind resulting from said work, and upon failure to do so within twenty-four hours after having been notified to do so by the Superintendent of Public Works, said work may be done by the Village and the cost thereof charged to the permittee and the permittee shall also be liable for the cost thereof under the surety bond provided hereunder.

SECTION 10. SUPERVISION. The Superintendent of Public Works shall from time to time inspect all excavations and tunnels being made in or under any public street or other public place in the Village to see to the enforcement of the provisions of this ordinance. Notice shall be given to him at least ten hours before the work of back-filling any such excavation or tunnel commences.

SECTION 11. EMERGENCY ACTION. Nothing in this ordinance shall be construed to prevent the making of such excavations as may be necessary for the preservation of life or property or for the location of trouble in conduit or piping, or for making repairs, provided that the person making such excavation shall apply to the Village Clerk for such a permit on the first working day after such work is commenced.

SECTION 12. PUBLIC UTILITY EXCEPTION. The provisions of this ordinance

as to the requirements for the securing of a permit, the making of applications therefor, the payment of permit fees thereunder, the filing of a bond with or without surety for indemnity purposes, and the making of a cash deposit shall not apply to persons, firms or corporations operating as public utilities under the jurisdiction of the Illinois Commerce Commission and having franchise ordinances or grants from the Village for the use of streets, alleys, avenues and other public places, nor shall any of the other provisions of this ordinance prevail over the provisions of such franchise ordinances or grants.

SECTION 13. PENALTY. Any person, firm or corporation violating any provision of this ordinance shall be fined not less than Five Dollars nor more than Two Hundred Dollars for each offense, and a separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

SECTION 14. REPEAL. All ordinances or parts of ordinances in conflict herewith are hereby repealed, including each and all of the provisions of the Street Excavation Ordinance passed and approved December 6, 1966.

SECTION 15. EFFECTIVE DATE. This ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

PASSED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS, THIS 20TH DAY OF DECEMBER, A.D. 1966.

IN THE CIRCUIT COURT OF THE 19TH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS PROBATE DIVISION

ESTATE OF JOSEPHINE A. DRISCH (a.k.a. JOSEPHINE A. POLK), Deceased, FILE NO. 66P617

Notice is hereby given pursuant to Section 194 of the Probate Act, of the death of the above named decedent and that letters of Administration were issued on December 6th, 1966, to Edward C. Jacobs, 425 Lake Street, Antioch, Illinois, whose attorney of record is Edward C. Jacobs, 425 Lake Street, Antioch, Illinois, and that the first Monday in the month of February, 1967, is the claim date for the estate.

Claims against said estate should be filed in the Probate Office of the Clerk of said Court, County Court House, Waukegan, Illinois, and copies thereof mailed or delivered to said legal representative and to said attorney.

STEPHANIE SULTHIN
Clerk of the Court
(Dec. 15-22-29, 1966)

TIME ZONES

Because of the different time zones in the United States, the West can hear or see by means of radio or television, the earlier celebrations in the East, such as that in Times Square where pandemonium reigns when the old year is over.

While many Americans celebrate New Year's eve in this hilarious fashion, others consider its arrival more seriously. Therefore, they "take stock" of themselves, review their mistakes and failures, and following the advice of Sarah C. Woolsey, "Yesterday's errors let yesterday cover", resolve to do better.

New Year Gifts
Custom of Old

The giving of presents on New Year's Day is an old habit. Some say it started first to propitiate the gods, then the rulers, later the lawmakers. Finally, it was practiced for selfish reasons only, in many cases. Some sources claim this started in southern Asia, before the time of Christ, while others attribute the idea to the Romans. The practice was mentioned by such writers as Tacitus and Suetonius. Julius Caesar once declared he had dreamed that Roman senators were presenting him gifts on the first day of the new year.

The notorious Caligula used to stand in the hall of his palace on New Year's Day to collect offerings from his subjects. This became such a "racket" in Italy, that, in 458, Pope Leo the Great abolished the custom, declaring it a "relic of heathen superstition".

Ancient Egyptians had a special New Year's gift, an earthenware flask (with a neck shaped like a lily), called a "pilgrim's bottle." On it was an inscription—a wish that the receiver would have only good fortune in the New Year.

The New Year's greeting card is really a form of gift; this custom is credited to the Chinese, who have sent such cards for over a thousand years.

Manger Scenes
The setting up of manger scenes of the Nativity has become a popular custom. The idea started in 1223, at Greccio, Italy. St. Francis of Assisi assembled such a scene with real people and live animals. He wanted to make the story of Christ's birth real to his followers.

This movement spread through Italy and to other lands, especially in Southern Europe, where manger scenes rather than the Christmas trees formed the center of the holiday observance. In the United States each year more churches, clubs, and homes use displays, both indoor and out.

The Moravian family sets up an elaborate Christmas scene—the "Pitz"—which pictures not only the Holy Family, but also village scenes showing the life of the people.

"I have learned to mistrust the man who finds everything good, the man who finds everything evil and the man who is indifferent to everything." — Tri-County Press, Polo.
